

CS-INDEX — Composites Standards Master List

Doc ID	CS-INDEX
Revision	A
Effective date	2026-07-12
Maintained by	Composites Lead (update at the moment any standard changes status — CS-000 §7)

Depth key — **Drafted:** full procedure, follow it as written (pending approver signature). **Outlined:** all sections present, procedure steps stubbed; complete before first use in anger.

Doc ID	Title	Rev	Status	Depth	Motivating pain point(s)
CS-000	Documentation Standards, Template & Revision Process	A	Draft — pending signature	Drafted	PP-09
CS-001	Part, Mold & Material Labeling	A	Draft — pending signature	Outlined	PP-09, PP-10
CS-002	Layup Schedule Specification & Recording	A	Draft — pending signature	Drafted	PP-04, PP-07
CS-003	Mold Design & Manufacturing	A	Draft — pending signature	Drafted	PP-03; SN4 lessons
CS-004	Mold Sealing, Release & Surface Prep	A	Draft — pending signature	Drafted	PP-01
CS-005	CNC Machining of Tooling Board (ShopSabre)	B	Draft — pending signature	Drafted	PP-06; Z-plunge incidents
CS-006	Resin Infusion	A	Draft — pending signature	Drafted	Leak-risk minors; G0 review findings
CS-007	Wet Layup & Vacuum Bagging	A	Draft — pending signature	Outlined	Clamp/bagging minors
CS-008	Resins, Mixing & Cure Schedules	A	Draft — pending signature	Outlined	FCF resin starvation; exotherm safety
CS-009	Trimming, Sanding & Finishing of Cured Composites	A	Draft — pending signature	Outlined	Catch-can puncture; PPE

Doc ID	Title	Rev	Status	Depth	Motivating pain point(s)
CS-010	CF Grounding & Electrical Bonding	A	Draft — pending signature	Drafted	PP-05
CS-011	Inventory, Storage & Transport	A	Draft — pending signature	Drafted (storage-map locations to field-verify)	PP-02, PP-10
CS-012	Purchasing & Reimbursement (Composites)	A	Draft — pending signature	Drafted (re-verify tiers/names each fall)	PP-02, PP-08
CS-013	Work Orders & Part Traceability	A	Draft — pending signature	Drafted	PP-09; bridges to the WO system

Notes: every standard flips to Released only when the SN6 Composites Lead signs its approval table (CS-000 §7.1) — the doc header and this index change together. Next free number: **CS-014**.
